

MOST HOLY ROSARY BASKETBALL REGISTRATION: PLEASE RETURN TO SCHOOL BY 10/20/17

Our basketball program is divided into two levels of play:

Primary League: The Primary League will be held on Wednesdays, beginning November 29, 2017 immediately after dismissal until 3:30 in the gym. It is open to any student in **kindergarten through 3rd grade (students in 3rd grade may choose to play in the Parochial League if they have previous basketball experience and are interested in committing to a team sport)**. Players will work on skill building in stations, including dribbling, passing, shooting and defense, and understanding the positions on the court. Players will be able to put these skills together in small scrimmages and then have the opportunity to play on a few select Sunday afternoons in between the Parochial League games on dates to be announced. The emphasis at this level is on encouraging players to do their best while learning the importance of teamwork. Primary League players scrimmage each other; we do not compete against other schools at this level. The league ends on February 14, 2018.

Parochial (Grammar) League: The Parochial League is open to **students in grades 3 through 6 (3rd grade students should have some experience with organized basketball to play at this level)**. Teams at this level practice once or twice a week in the afternoon or evening beginning in early November. **Games are played on Sunday afternoons** from December through February. The coaches will notify their teams of specific dates/times of practices and games. The emphasis is on skill building and teamwork but teams in this league compete against other schools in the Syracuse diocese.
