- Teacher's Report: The teachers would love and adore and new laminator so that learning experiences can be top notch.
- Principals report:
 - ~The diocese experienced no internet on 6/2/21 from the hours of 9-4. Sorry for any inconvenience!
 - PLEASE make sure that you re apply to Most Holy Rosary School to save your spot! We do not know what next year looks like so make sure you get your spot reserved.
 - No Blue and White day unfortunately... *however...* teachers are planning individual class trips, and/or a special event in place of it.
 - The staff bathroom has future plans for a new vanity and flooring, any and all hands to help are appreciated!
 - We had the highest participation in the diocese for the survey! Awesome job families!! Most Holy Rosary takes the survey very seriously and aims to support our students and family's needs the best we can.
 - NEXT YEAR:
 - ~ MHR would like to have a diversity group/taskforce made up of parents. Our mission is to model for our children that God made us all special and unique. Most Holy Rosary recognizes

and supports diversity understanding God's love for all.

~Most Holy Rosary will begin a new science program where we will be utilizing the amazing science lab in our school! We have a science teacher specifically for this position.

~Many afterschool clubs are in our future such as Girls on the Run and a Robotics Club!

~One final message (again) from our fantastic Principal... make sure you reapply to secure your spot at MHR (if you have not already done so).

- Teacher appreciation was in May. The PTC gave 25\$ in Gift Cards and Parents donated a total of \$916 for our teachers! Thank you Parents for your support! The teachers were able to have Luigi's for lunch, Cupcakes from Baked by Bethany and Cider Mill will be brought to them next week! If we have left over money, the PTC plans on stocking the teacher's room with drinks and/or possibly making a drink cart for the teachers! Wow! Our teacher's at MHR truly have hearts of gold and love our children as their own. We love them and appreciate them! Jolly good job MHR Staff!

Questions you might be wondering...

What does graduation(s) look like this year?

Who can attend graduation(s)?

****We will be receiving information about proper protocols and will give information about this later in the week.**

- Sara House~ Most Holy Rosary is involved in a service project with Sara House. Sara's Guest House is a small non-profit that is located across the street from Most Holy Rosary Church. They are a vital part of our community that provides lodging, transportation, meals and comfort to patients and families of patients receiving medical care in Central New York. Our Student Council is leading this project!! We are asking for anyone that can come, to meet at 9AM on Saturday June 5th, to help with yard work, planting, pressure washing, leaf blowing, etc. If those that are helping can bring any yard tools to help spruce the place up, that would be helpful! Any help would be appreciated and welcomed☺.
- New families inquire every day about our amazing school and would like to be part of the spectacular community of Most Holy Rosary. As one final reminder... that's right... please make sure you reapply your child(ren) so that they can have a secured spot at Most Holy Rosary, a magical place for every child, every day!
- Blessings to a happy and healthy summer!
